#### ACADEMIC YEAR 2024 - 25

Christ College of Science and Management, known for its academic excellence, holistic approach to student development, and vibrant campus life, conducts the Student Council and Cabinet elections every year to engage students in the democratic process and empower them to take leadership roles. For the academic year 2024-2025, the institution successfully held its annual Student Council and Cabinet elections, where students exercised their right to vote and elect a new set of student leaders who will represent them and work towards the betterment of the student body. By actively participating in these elections, students are not only engaging in the democratic process but also preparing themselves for future leadership roles in their professional lives. The Student Council consists of key representatives, including the Chairperson, Vice-Chairperson, Arts Secretary, Sports Secretary, Social Welfare Secretary, and various other cabinet members who handle specific portfolios like cultural activities, sports, academics, events, etc. The Cabinet, on the other hand, is composed of various heads and assistants who manage different student-driven initiatives, ensuring the effective functioning of the college community.
